WHAT ARE WE LEARNING?

Reading: Students are working on their reading comprehension skills while reading stories about America's history and connecting to our big idea "How can we learn from our past?"

Writing: Students are learning how to write various narrative stories including realistic fiction, personal narratives, and more!

Grammar: Students are working on parts of speech, conjunctions, and compound sentences.

Spelling: Students are reviewing their spelling patterns for long vowels and diphthongs. Students will also work on word Analysis with comparatives and superlatives.

Math: Students are working on the connection between multiplication and division.
