## Principal News

### SCHOOL ANNOUNCEMENTS:

#### THANK YOU PARENTS AND GUARDIANS!!!

Dear Parents and Guardians,  
I want to thank you for a wonderful school year! We had the most amazing students this year and it was a pleasure having them in our school. I know that parents and guardians have choices where to send their child to school. We are glad that you chose Metacomet. Our teachers worked hard with their students this year. We saw great academic growth and we hope that your child continues to grow. Our students also grew socially. After the past few years with the pandemic, it was great to be back in school all year and to watch our students interact with each other. If your child is in Grade 4 or moving to another school next year, we wish them the best! If your child will be returning to Metacomet next year, we look forward to seeing them starting on Wednesday, August 30, 2023.

### ACADEMIC NEWS:

#### SUMMER WORK

We are handing students a math packet and would like them to participate in the summer reading program at the Prosser Library along with the Governor's Reading and Math Challenge. We will hand out packets during the last week of school.

All students will have access to iReady for reading and math (until August 1) and we encourage all students to spend one hour a day (30 minutes in reading and 30 minutes in math) working on their iReady lessons.

## Nurse News

Pollen is in the air and allergy season is here! Please check with your pediatrician regarding seasonal allergy symptom management at home.

A friendly reminder of District policies regarding pink eye also known as conjunctivitis:

*“If your child woke up with one or both eyes red, sealed with discharge, the eyes itchy or painful, he/she should stay home and be seen by their health care provider. If prescribed an antibiotic eye drop/ointment, he/she may return to school after 24 hours of medication. Please send in a note from your health care provider.”*

If you have any questions or concerns, please feel free to contact Mrs. Labrie at 860-286-2660.
